EXPERIENCE

July 2022 - Present: Mid Animator at RISE FX Berlin - Remotely

I am working on the animation of the Amazon TV Series *Der Greif*: I animate insects, humanoide characters and rigid bodies.

May 2021 - June 2022: Mid Animator at Ghost VFX Copenhagen

I was responsible for polishing mocaps and previs shots. My main focus was on creature and character animation. I worked on TV series such as *The Book of Boba Fett*, *Star Trek Discovery*, *Star Trek Picard* and *For All Mankind*.

May 2020 - May 2021: Freelancer

I animated on multiple projects for companies such as Nébula Studios, Get Animated and Voxelwolves. Worked for mutiple clients such as FIFA and LEGO.

Feb. 2018 - Sept. 2019: Junior Animator at TAT Studio

Les As de la Jungle - I worked on a third of the 52 episodes of the TV series *Les As de la Jungle*, an Emmy-Winning show, popular in France. We worked with 3dsMax.

Sept. - Dec. 2017: DWARF Animation Studio - Montpellier, FR

Apollon le Grillon et les Drôles de Petites Bêtes - I worked on some episodes of this TV Series, in Montpellier. We worked with Maya.

EDUCATION

2014 - 2017: ESMA Toulouse

Master's Degree in VFX and 3D Animation

Generalist 3D education, specialising in animation on the last year, when I co-directed «Mécanique».

2012 - 2014: ETIC Lisbon

2D/3D Animation Technical course

2009 - 2012: José Saramago High School

Specialization in Fine Arts

NOMINATIONS

2017: ESMA's Jury's 1st Prize - With the short movie *Mécanique*. Multiple nominations in multiple festivals.

LANGUAGES

Fluent in Portuguese, French and English
